

Fine Arts Club

The GHS Fine Arts Club's mission is to provide students an outlet for their artistic abilities. We have a holistic approach in the area of fine arts including, but not limited to drawing, photography, and writing. We give the students the opportunity to display their art in the halls of our school, and are always searching for other ways to reveal our students' hidden talents. Additionally, members of the Fine Arts Club seek to attend annual events at UTM.

"Fine Art is knowledge made visible." -Gustave Courbet
