

Gleason School
School-Parent-Student Compact
2023-2024

Gleason School will provide quality instruction in a supportive and safe environment that encourages consistent school attendance. It is our view as teachers, parents/guardians, and students, that we each have important roles and must share in both the opportunity and responsibility of learning. Because of this view, we the undersigned, enter into this compact together. Annual parent-teacher conferences will be provided to discuss individual student performance. Various school organizations and activities will be provided to encourage parents to volunteer and participate in their child’s education.

As a Teacher, I will demonstrate professional behavior and a positive attitude. I will show respect for each child and his/her family, believing that each student can learn. I will come to class prepared to teach, providing an environment that is not only conducive to learning, but one that will also foster punctual and regular school attendance. I will help each child become the best student possible. I will make sure that homework activities are meaningful and appropriate. I will enforce school and classroom rules fairly and consistently. I will provide frequent reports to parents concerning their child’s progress. I will implement and recognize technology as a learning tool, but not allow it to be the primary mode of instruction. And lastly, I will do my best to seek ways to help parents become involved in Gleason School and the learning process of their children.

As a Parent, I am responsible for my child’s regular and prompt school attendance. I will provide a home environment that encourages educational advancement. I will insist that all homework assignments are completed. I will encourage my child to read at home and monitor his/her TV and internet screen time. I will make every effort to talk with my child’s teachers about his/her overall school experience. And lastly, I will show respect and support for my child, the teacher, and Gleason School.

As a Student, I believe that I can and will learn. I will always try to do my best in my work and in my behavior. I will come to school on time and consistently, prepared with my homework and my supplies. I will work cooperatively with my classmates, showing respect for myself, other people, and Gleason School. I believe it is important for me to follow all school rules in class, on the playground, in the cafeteria, and on the bus. And lastly, because I have done these things, I can take pride in myself, my school, and my education.

HAND IN HAND, WE WILL WORK TOGETHER TO CARRY OUT THIS AGREEMENT
